NMT Security Solutions LLC

Event parking, traffic control & crowd management · Broward & Miami-Dade Counties

Capability Statement

CORE COMPETENCIES

Special-Event Parking Operations
Lot planning, attendant and cashier staffing, revenue control, ADA and VIP parking, post-event reporting

Traffic Control
Flaggers and traffic control devices at lot entries, exits, and crossings; police detail coordination

Crowd & Pedestrian Management
Pedestrian routes, queues, and wayfinding between lots, shuttle zones, and entrances

Security Officer Services
Details on request

DIFFERENTIATORS

One point of contact
A dedicated Account Manager from the site walk through the post-event report.

A written plan for every event
Lot inventory, signage, traffic routes, and staffing, reviewed with the agency and police before event day.

Documented results
A written post-event report: utilization, counts, staffing, revenue reconciliation, and incidents.
